Located near major highways, it provides convenient access for motorists looking to refuel, rest, or shop. Its placement within Cookeville enhances the city's retail offerings and supports regional economic growth. Easy access from Interstate 40 makes it a preferred stop for long-distance travelers and commuters.

Proximity to Major Highways

Buc-ee's Cookeville is positioned close to Interstate 40, one of the primary east-west routes across Tennessee. This proximity facilitates smooth entry and exit for vehicles of all sizes, including trucks and RVs. The location serves as an ideal pit stop for those traveling between Nashville and Knoxville, offering a break from the road with ample parking and quick service.

Accessibility Features

The store is designed to accommodate all customers, including those with disabilities. Parking spaces designated for handicapped drivers are conveniently located near the entrance, and the store layout ensures easy navigation for wheelchair users. Additionally, clear signage and well-lit pathways improve safety and accessibility throughout the premises.

Fuel Services and Amenities

A hallmark of Buc-ee's stores is their extensive fuel services, and the Cookeville location maintains this tradition with an abundance of fuel pumps and quality gasoline options. The facility is engineered to minimize wait times even during peak hours, supporting efficient refueling for individual drivers and commercial fleets alike.

Number and Types of Fuel Pumps

Buc-ee's Cookeville features an impressive number of fuel pumps, often exceeding 70, enabling simultaneous service for multiple vehicles. The station offers various fuel grades, including regular unleaded, premium, and diesel, catering to a diverse range of vehicles. This extensive setup reduces congestion and provides a seamless refueling experience.

Additional Amenities at the Fuel Station

Beyond fuel, the station offers amenities such as air and water stations for vehicle maintenance. The area is well-maintained with clean, modern fuel islands and overhead canopies to protect customers from weather conditions. Security cameras and lighting contribute to a safe environment during all hours of operation.
