

lufthansa business class 747-400

lufthansa business class 747-400 offers a premium flying experience that combines comfort, luxury, and advanced amenities aboard one of the most iconic aircraft in aviation history. This classic jumbo jet, the Boeing 747-400, remains a favorite among travelers for its spacious cabins and distinctive upper deck, where Lufthansa's business class product truly shines. Passengers can expect a well-designed cabin layout, high-quality service, and a range of in-flight features that cater to business and leisure travelers alike. This article explores the Lufthansa business class 747-400 in detail, covering seating arrangements, onboard services, dining options, entertainment systems, and more. Whether planning a long-haul trip or simply curious about the specifics of Lufthansa's business class on this legendary aircraft, the following sections provide comprehensive insights and useful information.

- Seating and Cabin Layout
- Onboard Amenities and Services
- Dining Experience
- Entertainment and Connectivity
- Booking and Frequent Flyer Benefits

Seating and Cabin Layout

The seating configuration in Lufthansa business class 747-400 is designed to maximize passenger comfort and privacy. The aircraft typically features two business class cabins: one located on the upper deck and another on the main deck. The upper deck is especially prized for its intimate atmosphere and quieter environment, making it a preferred choice for many travelers.

Seat Design and Comfort

Lufthansa business class seats on the 747-400 are spacious lie-flat seats that convert into fully flat beds, offering ample space for rest and relaxation on long-haul flights. The seats usually measure around 20 inches in width and provide generous legroom with a pitch of approximately 60-62 inches. Each seat is equipped with adjustable headrests, lumbar support, and privacy dividers to enhance comfort and personal space.

Cabin Layout

The business class cabin on the upper deck generally features a 2-2 layout, allowing direct aisle access for all passengers, while the main deck cabin often uses a 2-2-2 configuration. This arrangement strikes a balance between seating capacity and passenger comfort, ensuring that travelers have enough room to work, dine, or rest without feeling cramped.

- Upper deck: 2-2 seating layout for privacy and quiet
- Main deck: 2-2-2 seating layout with slightly more seats
- Lie-flat seats with ergonomic design
- Adjustable lighting and ample storage space

Onboard Amenities and Services

Lufthansa business class on the 747-400 is well-known for its attentive service and thoughtful amenities. Passengers benefit from a range of comfort-enhancing features designed to make the journey as pleasant as possible.

Comfort Kits and Bedding

Each business class traveler receives a premium comfort kit containing essential toiletries, eye masks, earplugs, and skincare products from renowned brands. Additionally, Lufthansa provides high-quality pillows and duvets, ensuring a restful sleep experience on overnight flights.

Service Excellence

The cabin crew on Lufthansa's 747-400 business class are trained to deliver professional and personalized service. From the warm welcome upon boarding to attentive assistance throughout the flight, the crew ensures that passengers' needs are promptly met, including special meal requests and beverage selections.

- Luxury amenity kits with skincare products
- Plush pillows and blankets for enhanced comfort
- Dedicated cabin crew providing personalized attention
- Priority boarding and baggage handling

Dining Experience

The dining service in Lufthansa business class 747-400 is a highlight for many passengers, featuring gourmet meals and an extensive beverage selection. Lufthansa places a strong emphasis on quality and presentation, often collaborating with top chefs to curate its menus.

Menu and Meal Options

Passengers can enjoy multi-course meals prepared with fresh ingredients and inspired by international and regional cuisines. Options typically include appetizers, main courses with meat, fish, or vegetarian choices, and decadent desserts. Special dietary requirements, such as gluten-free, vegan, or kosher meals, can be requested in advance.

Wine and Beverage Selection

Lufthansa offers a carefully curated wine list, featuring fine wines from Germany and other renowned wine-producing regions. In addition to wines, a variety of spirits, cocktails, soft drinks, and specialty coffees and teas are available to complement the meal service.

- Multi-course gourmet meals with seasonal ingredients
- Special meal options for dietary preferences
- Extensive wine list including German Rieslings and international varieties
- Premium coffee and tea service

Entertainment and Connectivity

Staying entertained and connected is a priority for Lufthansa business class travelers on the 747-400. The airline equips its aircraft with modern inflight entertainment systems and connectivity options.

Inflight Entertainment System

The aircraft features personal screens at each seat, offering a wide selection of movies, TV shows, music, and games. The user-friendly interface allows passengers to browse content easily and customize their entertainment experience throughout the flight.

Connectivity and Wi-Fi

Lufthansa provides Wi-Fi connectivity on many 747-400 routes, enabling passengers to stay connected via email, messaging apps, and social media. While internet access is typically available for a fee, Lufthansa often includes complimentary data packages for business class passengers, enhancing productivity during the flight.

- High-definition personal entertainment screens
- Extensive library of movies, series, and music

- Wi-Fi connectivity with various packages available
- Power outlets and USB ports at every seat

Booking and Frequent Flyer Benefits

Booking Lufthansa business class on the 747-400 offers several advantages beyond the in-flight experience, especially for frequent travelers and loyalty program members.

Reservation Options and Flexibility

Lufthansa provides multiple booking options through its official channels, travel agencies, and airline partners. Business class tickets on the 747-400 often come with flexible change and cancellation policies, catering to business travelers' dynamic schedules.

Lufthansa Miles & More Program

Members of the Miles & More frequent flyer program enjoy additional benefits when flying business class on the 747-400. These include priority check-in, access to exclusive lounges, extra baggage allowance, and mileage accrual that can be redeemed for upgrades or future flights.

- Flexible booking and ticket change policies
