Overview of "Ode to a Nightingale"

"Ode to a Nightingale" is one of John Keats's most famous odes, written in 1819 during the Romantic period. The poem captures the poet's response to the nightingale's enchanting song, which symbolizes an escape from the hardships of human life. The ode is structured in eight stanzas, each consisting of ten lines, and reflects Keats's mastery of lyrical poetry. Its exploration of themes such as mortality, beauty, and transcendence has made it a central text in English literature studies. The poem's rich imagery and emotive language invite readers to contemplate the contrast between the ephemeral nature of human existence and the seemingly eternal song of the nightingale.

Summary of the Poem
